Abbalongtoyou Worship Music: You may want to have this Spontaneous worship music playing while you take your tests. I listened to this music the whole time I was creating this website. Sometimes, I was compelled to stop, raise my hands or stand and worship the king because his presence was so thick, amazing, majestic...I am in Awe of Him, and how amazingly he created every one of us.

Everything about the Lord is relational. He desires to be close to you. Abide in him as he abides in you. Listen to his words, let them wash over, restore, and rejuvenate you. Take your time. Meditate on the words the Lord is speaking to you. Drink them in, memorize them, and soak in his presence.
