Your Name Meaning

What is your name?

What does your name mean? Google it or use the links provided on the website. Keep looking up your name until you find the one that fits you. Different ethnicities have different meanings.

Research your name and take note - considerations:

If your name is a nature name, look up the tree, plant, flower, animal and list the properties of that element, so you can look up key words in the bible

Dark - You have been in darkness or you have the God given ability to go into darkness with the Light

Warrior - Fighting Names are usually male names

Fruit of Spirit - Grace, Faith, Joy
