Isaiah 55:10-11 Fill in the Blank: snow, water, flourish, seed, word, mouth, desire, purpose

As the rain and the Choose a word

come down from heaven,

and do not return to it

without Choose a word. the earth

and making it bud and Choose a word.

so that it yields Choose a word. for the sower and Choose a word for the eater,

11 so is my Choose a word that goes out from my flourish:

It will not return to me Choose a word,

but will accomplish what I Choose a word

and achieve the Choose a word. for which I sent it.

As the snow and water come down from heaven, they flourish the earth and provide seed and bread for the people. As the Word comes out of Gods mouth to water you, it will make you flourish. You will then provide seed for some and bread for others. You will plant seeds and feed Jesus sheep. As you do this, the Lord's desires and purposes will be accomplished through you.
